

THE LAW OF ABUNDANCE

SUFFICIENT RESOURCES EXIST TO ACCOMPLISH ANYTHING

a series of original art inspired by the wisdom principles

LIVE *the* WISDOM

A GREAT RIVER OF ABUNDANCE SURROUNDS US.

It has the power to carry us anywhere we imagine.

Earth abounds with natural resource and intelligence—
everything we need is here. If we multiply and
return this abundance, the world becomes more plentiful.

Apparent scarcity vanishes and deserts bloom.

Abundance isn't something we find. It's not a destination or an
amount. It's something we create. Each time we
choose to live in creative flow, allowing resource to move in
and through us, we *become* abundance.
