

128%
INCREASE IN BONE
DENSITY SCREENINGS

Your gift strengthened care

Your support helped create a unique space for care where bone density screenings have grown by 128%.

Generosity Heals

Creating greater impact on patient care together

The hospital's expanded Women's Health services are providing meaningful experiences with measurable results at TRUST: a vital part of the integrated health and wellness environment at ALIVE, offering clinical care in a welcoming, spa-like environment.

TRUST: Brought ALIVE by the HGB Auxiliary

ALIVE is possible because of the generous support of the Hayes Green Beach Hospital Auxiliary with funds raised from thousands of transactions from the hospital gift shop, raffles, bake sales, and other fundraisers.
