

We proudly celebrate the generosity that is all around us. Everyone you meet while you are here has made generosity a part of their life – in the care they offer and in the good they do on the job and out in the world. They know
generosity heals.

Thinking of you -

*So many people care about your well-being.
And they have been passionate about
sharing their gifts so that you receive
the very best healing care.*

*From helping build this new pavilion,
to funding nursing education, to supporting
the best new technology and medicine...*

generosity heals.

*Sending you
our well wishes -*

Hinsdale Hospital Foundation

*I pray that all may go well with you and that you may be in
good health, as it goes well with your soul.*

3 John 1:1-3
